Submission Instructions:

Submit a single file with your R code and notes for both tasks (you may use rmarkdown to submit a pdf showing code, visualizations, and notes).

A single file for each task is provided. Each file contains R code and in-line notes / comments as instructed

The two files are:

1. Task_01_Solution.R - Solution for Task 1
2. Task_02_Solution.R - Solution for Task 2
